# Publication Scheme

This is the School Publication Scheme on information available under the Freedom of Information Act 2000. The governing body is responsible for maintenance of this scheme.

**Introduction:** What a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment

The scheme covers information already published and information, which is to be published in the future. All information as part of the publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for school approved by the Information Commissioner.

## Aims and Objectives

The aim of this policy is to give guidance using examples of the kinds of information that we would expect to provide in order to meet our commitment to requests for information.

This publication scheme is a means of showing how we are pursuing these aims.

## Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into broad topic areas:

*Who we are and what we do*

*What we spend and how we spend it*

*What are our priorities and how are we doing How we make decisions*

*Our policies and procedures*

*List and registers*

*The services we offer*

## How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone or letter. Contact details are set out below.

To help us process your request quickly, please clearly mark any correspondence "PUBLICATION SCHEME REQUEST" (in capitals please)

If the information you are requesting is not available via the scheme you can still contact the school to ask if we have it.

If the information you're looking for is not available via the scheme and is not on our website, you can still contact the school to ask if we have it.

### **Paying for information**

Information published on our website is free, although you may incur costs from your internet service provider. If you don't have the internet, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos, we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
