What's near me – Summer 2022

We have a range of fun **free** activities during the school holidays for Telford & Wrekin families to take part in for children from reception to year 11 for families receiving income-related free school meals. They'll be able to have a healthy meal and join in on sports, arts, crafts and much more! Check out the HHAH Website for full details of what's running over Summer, and see if you qualify for the **Happy, Healthy & Active Holidays** scheme.
