Recovery Premium Fund

In February 2021, the government announced a one-off recovery premium as part of its package of funding to support education recovery. The recovery premium provides additional funding for state-funded schools in the 2022 to 2023 academic year. Building on the pupil premium, this funding aims to help schools deliver evidence-based approaches for supporting disadvantaged pupils.

Use of funds

Schools can spend this premium on evidence-based approaches to support pupils. In line with the Education Endowment Foundation's pupil premium guide, activities should include those that:

● support the quality of teaching, such as staff professional development

● provide targeted academic support, such as tutoring

● deal with non-academic barriers to success in school, such as attendance, behaviour and social and emotional support

Like the pupil premium, schools can:

● spend the recovery premium on a wider cohort of pupils than those who attract the funding

● direct recovery premium spending where they think the need is greatest

Allocation

The recovery premium will be allocated using the same data as the pupil premium. This means the following pupils will attract recovery premium funding to schools:

● pupils who are eligible for free school meals (FSM)

● pupils who have been eligible for free school meals at any point in the last 6 years

● children looked after by local authorities and referred to as looked-after children (LAC)

● post looked-after children (post-LAC)

Schools will be provided with £145 for each pupil aged 4 and over recorded in Reception to Year Group 11 in school census.

Recovery Funding 2022-23 for Wombridge Primary School

£17400

Read, write inc resources £3,450
Phonics Tutoring £14000
Games for lunchtime club £164.82
