Attendance and Punctuality Policy

Introduction

At Wombridge Primary School we expect children to attend school every day, as long as they are fit and healthy enough to do so.

Excellent attendance and punctuality are important if children are to benefit from everything school has to offer. We believe that regular attendance at school is vital for children to be successful.

School education lays the vital foundation of a child's life and research clearly demonstrates the link between regular attendance, punctuality and educational progress and attainment.

Parents/Carers, it is your responsibility to ensure your child/children arrive at school and return home safely.

School Attendance Matters

Attend and Achieve!

Definitions

- Everyday count as two sessions
- Every half day absence has to be classified by the school as either AUTHORISED or UNAUTHORISED. This is why the cause of each absence is always required, preferably in writing or by telephone.
- Regular attendance means that your child must attend school every day, unless there are justified reasons, and arrive at school on time.
- Authorised Absence
- An authorised absence is classified as authorised when a child is away from school for a legitimate reason and the school has received notification from the parent/carer. The headteacher authorises the absence.
- Unauthorised Absence
- An absence is classified as unauthorised when a child is away from school without the permission of the headteacher.
- Unauthorised absences are those which the school does not consider reasonable and for which no authorisation has been given.

| Authorised absence | Unauthorised absence |
|--|---|
| <ul style="list-style-type: none"> • Genuine illness of the pupil • Hospital/dental/doctor's appointment for the pupil • Major religious observances • Visits to prospective new schools • External exams or educational assessments. | <ul style="list-style-type: none"> • Shopping/daytrip/visit to a theme park • A birthday treat • Oversleeping due to a late night • Looking after other children/other family members • Appointments for other family members • Holidays which have not been agreed |

Each child's attendance can be summarised using the new traffic light system outlined below:

| Attendance | Rating | Action |
|-------------------|---------------------|---|
| 96-100% | Safe Zone | Outstanding ~ this will help all aspects of your child's progress and life in school. This will give them a good start in life and supports a positive work ethic. Your child's attendance is at, or above, the school target. Keep up the good work. |
| 91-95% | Sliding Zone | Strive to build on this ~ Your child's attendance is below expected and will be monitored. A letter will be sent to inform you of your child's attendance percentage to date. |
| Below 90% | Danger Zone | Poor absence ~ Absence is now significantly affecting your child's attainment and progress. This is a cause for concern and will be monitored closely. You will receive a letter from the headteacher and intervention and support will be commenced. |

Non-attendance is an important issue that is treated seriously. However, each case is different and the school acknowledges that no one standard response will be appropriate in every case.

Consideration is given to all factors affecting attendance before deciding what intervention strategies to apply.

Attendance will be reported to parents regularly using the traffic light system, this will allow parents to see the bigger picture. Children will receive a letter which will be colour coded according to their level of attendance. GOLD for 100%, Green for 96%+, Yellow for 91%- 95% and Red for 90% and below.

Every third week meetings will allow for attendance and lateness to be monitored and parents will receive a letter and a recent attendance record if they fall below 91%. The reasons for the absence will be considered as they may be a genuine illness (chicken Pox, Tonsillitis etc.). The letter will outline the school's concern and the need for an improvement. This is followed up with a second letter and then a third inviting parents to attend an 'Attendance Panel Review'. At this meeting an attendance action plan will be written. If attendance does not improve as a result of this meeting a second meeting is arranged with the local authority.

When to report Absence to the school

All absences must be reported on a daily basis. In all cases of absence the parents/carers should:

Only keep your child away from school if really necessary. The school will always call and send home an unwell child

Telephone the school on 01952 388040 at the earliest opportunity to let them know why your child is going to be absent. Please try and phone by 9.10am at the very latest

Please call daily and keep the school informed if more than one day's absence is necessary

Send a note to school explaining the reason for the absence

If medical appointments are absolutely necessary, please bring your child to school for the rest of the school day and ensure the administrator has seen the appointment card.

Wombridge uses a 1st day calling system. If your child fails to register or is absent and we have not received notification by 9.10am a call or text will be made to you. This only applies on the first day of absence. It is the parent's responsibility to call the school each day their child is off school and explain the reason why

If a child is absent from school with no explanation offered by the parents/carers within two weeks, it becomes an unauthorised absence.

Registers, Punctuality and Lateness

Punctuality to school is crucial. Lateness into school causes disruption to that individual's learning and to that of the other children in the class. It is paramount therefore that all children arrive at school on time. For school children the gates open at 8.30am.

The school gate closes promptly at 8.45am. If you arrive after this time they must enter via the school office where they will need to be signed in by a Parent/Carer.

Your child will receive a late mark in the register.

By law, schools must take a morning and afternoon register and record the attendance or absence of every pupil.

Registration takes place at 9.00am and pupils who arrive after this time will be recorded as late to school.

Registers close at 9.15am and after this lateness may be recorded as an unauthorised absence and can be subject to prosecution by the local authority.

Afternoon registration is taken between 12.30 - 1.30pm (dependent on year group).

Persistent lateness by a pupil will be dealt with by meetings with parents/carers. Prior to this letter will be sent out outlining the number of lates and the next steps if this does not improve.

Children's attendance and punctuality is recorded on their report and will be passed in to future schools as necessary.

Pupils leaving during the school day

During school hours, the school staff are legally in loco parentis and therefore must know where the pupils are during the school day.

Children are not allowed to leave the premises without prior permission from the school.

Whenever possible, parents/carers should try to arrange medical and other appointments outside of the school time.

If children do have to attend appointments during the school day, a copy of the letter is requested and the parent is asked to take a signed slip to the appointment, this provides evidence they have attended.

Parents/Carers are requested to confirm in writing, by letter or email, the reason for any planned absence, the time of leaving, and the expected time of return.

Children must be signed out on leaving the school and be signed back in on their return.

Where a child is being collected from the school, parents/carers are to report to the school office before the child is allowed to leave the site.

If a child leaves the school site without permission, their parents/carers will be contacted immediately. Should the school be unable to make contact with the family it may be appropriate, in certain circumstances, to contact the Police and register the child as a missing person.

The Law

By law, parents and carers must ensure that all children of compulsory school age (5-16) receive a suitable, full-time education. Telford and Wrekin Council Attendance support both schools and parents/carers to ensure that every child attends school regularly. As a parent/carer you may be committing an offence if you fail to make sure that your child attends school regularly. This may lead to the issuing of a penalty notice, prosecution or application for an education supervision order.

Leave of absence

Please be aware that the Education regulations 2013, which came into effect on 1st September 2013, states that Headteachers may not grant leave of absence during term time unless there are exceptional circumstances.

Any absence must be requested as far in advance as possible, and no less than 4 weeks prior to the requested date. A form for application for leave of absence during term time can be found on the website or you can ask for one from the office.

The guidance from Telford and Wrekin Council states that if a parent/carer takes their child out of school, e.g. on holiday or other unauthorised leave of absence, for 5 days (10 sessions) or more, without the authority of the headteacher, each parent/carer may be liable to receive a penalty notice for each child who is absent.

If leave is taken without authorisation by the school, it may be recorded as an unauthorised absence and Telford and Wrekin attendance support team will be notified. A penalty notice will probably be issued.

Penalty Notices

Under existing legislation, each parent/carer commits an offence if a child fails to attend school regularly and the absences are classed as unauthorised. Depending on circumstances, such cases may result in prosecution under section 444 of the Education Act 1996.

Telford and Wrekin Council considers that regular attendance at school is of such importance that penalty notices may be issued in the following circumstances where unauthorised absence occurs:

Children identified by police or Education welfare officers engaged on truancy patrols and who have incurred unauthorised absences.

Unauthorised leave of absence during term time

Where it is judged that a parent/carer is failing to engage with any supportive measures proposed by the school. This may be considered if a child has 10 or more sessions of unauthorised absence during the previous 6 school weeks. Unauthorised absence may include arriving late after the close of registration without good reason.

With the exception of unauthorised leave of absence taken in term time, parents/carers will be sent a formal warning of their liability to receive such a notice before it is issued.

The amount payable on issue of a penalty notice is £60 (issued to each parent/carer, for each child) if paid within 21 days. Penalty notices will increase to £120 after 21 days but within 28 days. After 28 days, the LA may prosecute under section 444 Education Act 1996.

Behaviour and Penalty Notices relating to Exclusions

Section 103 of the Education and Inspectors Act 2006 places a duty on parents/carers to ensure their child is not in a public place without justifiable cause during school hours when they are excluded from school. Failure to do so will render the parent/carer liable to a Penalty Notice.

The amount payable is £60 if paid within 21 days, rising to £120 if paid after 21 days but within 28 days. If the penalty notice is not paid, the recipient may be prosecuted for the offence under section 103.

Alternative education provision will be made from the sixth day of any exclusion and failure to attend such provision without good reason will be treated as unauthorised absence.

Please see attached action plan to support the drive to improve attendance and Punctuality. Also included is a copy of the attendance action plan completed at the panel review meeting.

Celebrating and rewarding attendance

Awards will be in place to encourage good attendance and punctuality.

All year groups will compete for the best attendance, and be rewarded with the attendance trophy each week at Friday's at the whole school celebration assembly.

Here the winning year group will be rewarded with a trophy and earn a star. The year group with the most stars at the end of every half term will be rewarded with a treat.

Children's attendance will be rewarded with a certificate at the end of every term with a certificate in the following category –

Gold

Silver

Bronze
