

How do I access the support?

Please contact the school directly and request a call back or appointment if your call can not be answered by a member of the team straight away.

You can also talk to your child's teacher, a member of school staff you feel comfortable with. Senior Leaders are out on the gate and playground during the morning on arrival and at the end of the day during collection times.

You can access the school website detailing more information, advice and support for families which can be reached at -

Early Help Offer 2025/26

Early Help Offer

At Wombridge Primary School, we understand that family life can sometimes be difficult and challenging. From time to time there may be situations where you feel you need more help and support. At these times we are able to offer you what is known as the Early Help Offer.

Providing early help to our children and families, means we can be more effective in preventing problems, from affecting children's ability to thrive and learn. Early help means providing support as soon as a concern emerges, at any point of a child's life, from Reception through to Year 6.

What is Early Help?

It enables families to access services that provide targeted and specific support. There are lots of reasons families choose Early Help Support, it is a non-judgmental means of support to signpost and advise families in areas of life that are proving to be challenging.

As a school we will work with you to achieve the best possible outcomes for your family.

Who is the support for?

Anyone who has a child that attends our school. All support is confidential and the level of engagement is controlled by the family.

What can I have support for?

We will try to help with the presenting needs of the family and child.

You may be looking for extra support because you are -

- Caring for a child with additional needs
- Worried about a child's social, emotional and mental health needs
- Are effected by domestic abuse
- Worrying about housing or finances and the impact this is having
- Affected by crime or substances e.g. alcohol, drugs
- Experiencing other difficulties

What does the support look like?

Each support package is tailored to your families needs. Initially we will talk to you and arrange either an appointment at school, a home visit or telephone call.

It may be that you just need to talk to someone about you concerns or situation. If further steps need to be taken then we will work with you to complete an Early Help Assessment,, create and action plan and review this.
